Information

We all play a significant role in the operations of the Brighton Districts and Old Scholars Football Club (BDOS) and following a challenging 2020 season, our focus is on the long term sustainability of our club.

Paying registration fees on time will be crucial for our on and off field success.

In completing the registration process you acknowledge that you have read and accept the terms and conditions of registration. This includes payment of registration fees.

BDOS has a strict 'no pay – no play' policy. If payment(s) are not received by the due date(s), players will be considered ineligible to play.

The club recognises that in some instances payment arrangements may be necessary. Such requests will be handled discretely and confidentially on a case-by-case basis by the Club President, Secretary or Treasurer (only). For more information please refer below.

Any player who possess a debt from previous seasons will not be able to register or play in any football league until their outstanding debt has been repaid. For Senior players, this will mean any match payments payable will be deducted from any outstanding monies owed.

In some circumstances where a player is unable to commit to a full season, a negotiated fee arrangement may be possible. This may be appropriate where a player commences part-way through a season. Such requests will be handled discretely and confidentially on a case-by-case basis by the Club President, Secretary or Treasurer (only).

How to register

Previously registered players (i.e. from last season) will have received their re-registration outlines via email.

- The online registration process includes fields that will eliminate the need to provide the club with certain pieces of information (*this includes the Sports Voucher process – please note that if the program is offered again in 2021 it is ONLY for children up to and including those in Year 7 and can only be claimed as x1 voucher, per child, per sport. If this is used in another sport it cannot be claimed at BDOS and full registration fees will apply.*)
- The onus is on the parent / individual to complete the required registration documentation and to follow all instructions

NEW players to BDOS will follow a separate process and be communicated with by our Registrars.

What do registration fees cover?

On-field

Footballs, team kits, guernseys, umpire fees, first aid supplies, cones, bibs, portable goals, ladders, pump, line marking machine, nets, corner posts, linesman flags

Off-field

league affiliation, administration fees, insurance for players, insurance for the club/committee/public liability, trophies, lights levy

(Oval lights installed 2011 at a cost of \$125,453. A loan from Holdfast Bay Council is being paid off over 15 years to 2025. Each player is levied \$10 per year)

How are registration fees determined?

Fees are reviewed annually and approved by the Club's Executive Committee.

The review process considers various elements so as to ensure that our fees are fair and reasonable.

BDOS benchmarks itself against other clubs in the SANFL and Adelaide Football League as well as with other sporting entities (i.e. Rugby, Lacrosse, Soccer, Netball etc.).

The financial impacts on families are at the core of the decision making process as is ensuring the financial viability of the club.
