

2024 – Registration Information Sheet

We all play a significant role in the operations of our club, with our focus being the long-term sustainability of the Brighton Bombers.

Paying registration fees on time is crucial for on and off field success.

In completing the registration process, you acknowledge that you have read and accept the terms and conditions of registration. This includes payment of registration fees.

Brighton Bombers has a strict ‘no pay – no play’ policy.

If full payment(s) is not received by round (1) players will be considered ineligible to play.

Any player who possesses a debt from previous seasons will not be able to register or play in any football league until their outstanding debt has been repaid.

Should a child withdraw or there are special circumstances (i.e., injury) consideration to a refund is at the discretion of the Vice President – Juniors, the Secretary, or the Treasurer.

2024 PROCESS

The process for Season 2024 will be the same as it was for Season 2023.

Each player will need to be registered separately in PlayHQ.

Once you've accessed the PlayHQ link and provided / completed the relevant player details, at the Payment and Summary TAB you will note the following in the Order summary (refer illustration below): -

1. SA Player Registration Fee – which is the Adelaide Football League or SANFL payment for the league affiliation fee - this is payable for each player registered and is **NOT** a part of the Registration Fee
2. Club Player Registration fees – applicable to the age group

Application of vouchers will assist with the reduction in the amount payable at check-out (aka confirm purchase – refer illustration below – which is the SANFL example. The same premise, excluding Sports Vouchers applies to the Adelaide Football League).

As the Team Manager / Coaching / Committee / Sponsorship outlines *may* not be in place prior to season 2024 commencing, any monies paid in advance will be refunded once structures are confirmed.

Vouchers

2024 -Payment Assistant Plan (PAP)

For the PAP option - the on-line instructions are factored into the PlayHQ process, which essentially equates to an upfront payment of \$50.00 per child - with the residual amount to be paid by Round (1) in 2024.

PAP voucher codes: -

PAP for U7 ONLY	EA52F9C6
PAP for Minis - U8 to U11	4E39946C
PAP for Juniors – U12 to U17.5	340B666B

2024 Sports Vouchers (SV)

If you wish to claim the SA Government voucher for season 2024, please select **NO** when asked if you have used a Sports Voucher this calendar year (i.e., 2023).

This is a little confusing, however as the SV process is calendar based and BDOS start their registration process in the same year, it is imperative that it be noted that you are claiming the voucher for 2024 (not 2023). If you select **YES**, the voucher will not be applied, and it will impact on the amount payable.

If using a PAP + SV, you will need to add both voucher codes.

(1) the PAP will need to be entered at the Voucher section and

(2) the SV will need to be entered into the 'I have a government voucher' link.

Refer below illustration.

PAP + Sports Voucher (SV) for U7 ONLY	10373358
PAP + Sports Voucher (SV) for U8 to U11	7B3BADCC
PAP + Sports Voucher (SV) for eligible Juniors (up to year 9)	39AFED46
